The Peer In-Reach Specialist will support individuals with behavioral health challenges identified through the ***My Choice LA*** program as they prepare to transition into the community from nursing facilities. This position will support the ***My Choice LA*** member and the transition process in compliance with established guidelines. This responsibility extends to educating the individual on ***My Choice LA*** and directly advocating for and assisting individuals, organizations, and providers in the transition process. This position offers lived experience in relation to the use of peer support in order to ensure a person-centered, recovery-oriented, peer-driven transition process, which supports the goals/targets set out in the Department of Justice Agreement (Olmstead Decision).
